### Kennel Time

South Paw wishes to limit the amount of time that the dogs are crated. However, to help the daycare run smoothly and to help ensure the safety of the dogs at all times, the below kennel schedule will be followed.

Dogs will be crated for nap / lunch time between 11:30 am -1 pm. This gives the dogs and opportunity to rest and allows the dog with lunches to digest their meals.

Dogs will be crated during clean up time at the end of the day 5:30 pm till close.

Dogs may be crated temporarily to help with introduction or, for a short “time out” if behavior becomes disruptive.

### Behavior Policies

At daycare we closely monitor interaction between the dogs and the staff. If we feel your pet is acting inappropriately we will issue a “strike”. If your dog collects three strikes he / she will be released indefinitely from daycare. If a serious incident takes place, we have the right to excuse the dog with no further warnings.

Please understand that not all dogs are suited for daycare. The environment can be overwhelming or over stimulating for some dogs. If we express concern with your dog's behavior or dismiss your dog from daycare, we feel it is in your dog's best interest. We want all dogs to enjoy daycare and to benefit from the experience.

### General Daycare Policies

- Collars will be removed to prevent injury and collar damage.
- If dogs are persistent barkers, a squirt bottle or citronella collar will be used to correct.
